

## ARC 3

### SCRATCH MP3 | CD PLAYER

**THE PERFECT PLAYER FOR SCRATCH DJs.** Get started spinning your favorites tracks with ARC 3. This advanced tabletop CD player plays regular CDs and MP3-CDs so you can jam out for hours with the same disc. ARC 3 is easy-to-use with high-performance like pitch control and scratch.

Scratching your tracks is easy on the large, five-inch scratch wheel. Two loop banks give you tons of creative flexibility, and seamless looping makes integrating your loops musically easy and fun. You can control pitch  $\pm 8\%$  and  $\pm 16\%$  using the fader-style slider. Analog and digital outputs give you your choice of connectivity for stage and studio mixing.

Complete the package by mixing ARC 3s with a M1, M1USB, or X1USB mixer and PHX headphones. This sturdy, rugged CD player is the perfect way to get into DJing without breaking the bank or sacrificing professional features and feel.
