

VJ01

PROFESSIONAL DVD/CD/MP3 PLAYER

LOOP, CONTROL AND PREVIEW ANY VIDEO, ANYWHERE.

Designed for DJs wanting to incorporate visuals into their entertainment mix, Numark's VJ01 is a compact, tabletop media player that supports a wealth of video and audio formats.

Featuring a 5.6-inch LCD TFT tilt screen display, the VJ01 boasts pitch-control capability, a slider control for both DVDs and CDs, and soft-touch rubber transport controls. It also supports all standard DVD features, is PAL and NTSC compatible, and allows looping for repeating video clips. Its arsenal of effects such as cue, loop, zoom, angle, and slow motion.

The VJ01's club-tested interface, based upon Numark's legendary CD players, makes operation a snap. With all this, it's the perfect tool for club and mobile DJs searching for a powerful, affordable video solution.
