

RELEASE NOTES

NUVJ

::: NuVJ 1.0 RELEASE NOTES :::

This Release Notes document explains the changes between the previous software version and the current software version that are not explained in the Reference Manual.

To get the best out of NuVJ, please ensure that you are using the latest software version; you can download it from www.nuvj.com

CHANGES IN VERSION 1.0

It's the first version; there are no changes...

ERRATA

Reference Manual, page 19: **Exclusive mode:**

The manual says "Exclusive mode" where the dialog option is "Force Resolution". Exclusive mode is a specific term to Windows platform. "Force resolution" is the correct cross-platform term.
