Setting Up the Stealth Control and DJ|iO with Traktor LE

1. Before you begin, make sure you have the latest version of Traktor LE installed.

Launch Traktor LE, then go to **Help > Launch Service Center**. Select the **Updates** tab and make sure you download any **Traktor** updates you see.

Your Stealth Control USB MIDI controller is now configured to control Traktor LE! If you are using the Numark DJ|iO as your computer audio interface, proceed with the steps below to configure it with Traktor LE.

- 5. To configure an audio device with Traktor LE, go into the **Preferences** menu.
 - On Windows, go to **File** > **Preferences**.
 - On Macintosh, go to Traktor > Preferences.

- 6. Next click on **Audio Setup**. If you are using the Numark DJ|iO as your computer audio interface, proceed with the steps below to configure it with Traktor LE.
 - On Windows, make sure that Numark USB Audio Device (ASIO) is selected.
 - On a Macintosh, make sure you choose **Numark USB Audio Device** in this same drop down.

• Audio Setup	Audio Setup	
 Output Routing 	Audio Device	Numark USB Audio Device (4 In, 4 Out) 🛛 🔻
 Input Routing 	Sample Rate	44100 Hz 🔻
 MIDI Clock 	Audio Latency	4.0 ms
 Timecode Setup 		

- 7. Next, click on **Output Routing** on the left-hand side of the window. Here you will have the option to route your audio in any fashion you'd like. The **Numatk DJ|iO** has 4 outputs.
 - On PC you will see Numark USB Audio 1, 2, 3, and 4.
 - When on the Mac you'll see Master OUT 1, 2, 3 and 4.

The recommended configuration is displayed below:

 Audio Setup 	Mixing Mode
Output Routing	Internal External
 Input Routing 	
 MIDI Clock 	Output Monitor
 Timecode Setup 	L 3: Master OUT 🗾 Mono
⊙ Loading	R 4: Master OUT
 Transport 	
 Mixer 	Output Master
 Effects 	L 1: Master OUT 🗾 Mono
 Recording 	R 2: Master OUT
 Broadcasting 	
 File Management 	Output Record
 Data Location 	L - not connected -
 Layout Manager 	R - not connected -

You should be set up and ready to go. Remember to enable cue by pressing the Cue button in the top left/right of the controller.
